

# See what's next in retail technology

*Join us at NRF 2026: Retail's Big Show.*

Connect with us today

**You've seen how AI can enable faster, easier and more personalized shopper experiences.**

Make sure you have the technology to power your AI strategy by optimizing network costs with bundled services and a scalable infrastructure.

**Prepare for your future by connecting with our team at NRF 2026: Retail's Big Show, January 11-13 at the Jacob K. Javits Convention Center in New York City.**

- Don't miss our Foodservice Tech Stage session, "[QSR competitive edge: Digital innovation and AI](#)," on Monday, January 12, 12:00 p.m.-12:30 p.m.
- Visit booth #6851 on the main show floor to talk with our retail experts.
